

SILA COURSE DESCRIPTION/OUTLINE: *Overview of Regulation Best Interest*

An Overview of Regulation Best Interest – Regulation Best Interest (Reg BI) is the Securities and Exchange Commission's (SEC) most recent regulation adopted to protect investors. This course discusses the obligations imposed under Reg BI and some of the specifics of each of these obligations. While the regulation is new and the guidance is still forthcoming, this course offers an understanding of what Reg BI may mean for you and your practice.
